Join us at the 12th International Conference ICIRA 2024 in Shenyang, China for a groundbreaking exploration of AI and computing's transformative power.

The 12th International Conference on Intelligent Computing and Intelligent Systems (ICIRA 2024) will be held in Shenyang, China from August 11-13, 2024. This prestigious conference brings together leading researchers, industry experts, and scholars from around the world to share their latest findings and insights on the most cutting-edge advances in AI and computing.

ICIRA 2024 will feature a wide range of topics, including:

* Artificial Intelligence * Machine Learning * Deep Learning * Big Data Analytics * Cloud Computing * Edge Computing * Internet of Things * Robotics * Autonomous Vehicles * Healthcare AI * Financial AI * AI for Social Good

The conference will feature keynote speeches by world-renowned experts in AI and computing, as well as technical sessions, workshops, and panel

discussions. There will also be ample opportunities for networking and collaboration with other attendees.

ICIRA 2024 is the premier event for anyone interested in the latest advancements in AI and computing. Register today to be a part of this groundbreaking event!

Important Dates

* **Paper submission deadline:** March 15, 2024 * **Notification of acceptance:** May 15, 2024 * **Camera-ready paper submission deadline:** June 15, 2024 * **Conference dates:** August 11-13, 2024

Submission Guidelines

Prospective authors are invited to submit original, unpublished research papers in all areas of AI and computing. Papers should be submitted electronically in PDF format via the conference website.

Contact Information

For more information about ICIRA 2024, please contact:

* **Conference Chair:** Professor John Smith * **Email:** ic...@example.com * **Website:** www.icira2024.org
