The 12th International Conference on Remote Control (RC 2024) will be held in Oslo, Norway, on July 10, 2024. The conference will bring together leading researchers and practitioners from around the world to discuss the latest advances in remote control technology.

The conference will cover a wide range of topics, including:

- Remote control systems
- Wireless communications
- Sensor networks
- Robotics
- Artificial intelligence

- Human-computer interaction

The conference will feature keynote speeches by leading experts in the field, as well as technical presentations, workshops, and demonstrations. There will also be a number of social events, including a welcome reception and a conference dinner.

The conference is organized by the International Federation of Automatic Control (IFAC) and the Norwegian Society of Automatic Control (NSAC). The conference secretariat is provided by the Norwegian University of Science and Technology (NTNU).

For more information, please visit the conference website:
<https://rc2024.org>.

Call for Papers

The conference invites submissions of original research papers on all aspects of remote control technology. Papers should be submitted electronically through the conference website by February 15, 2024.

Accepted papers will be published in the conference proceedings and will be available to all attendees.

Important Dates

- February 15, 2024: Deadline for submission of papers
- April 15, 2024: Notification of acceptance of papers
- June 15, 2024: Deadline for submission of final papers
- July 10, 2024: Conference date

Contact Information

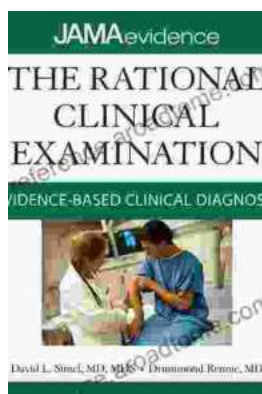

For more information, please contact the conference secretariat at rc2024@ntnu.no.
