This year's conference will focus on the theme "Unlocking the Secrets of Cybersecurity," bringing together experts from academia, industry, and

government to explore the latest advancements and challenges in safeguarding our digital world.

Key Highlights of AFRICACRYPT 2023:

- **Keynote speeches** from renowned cryptology experts

- **Research paper presentations** covering a wide range of topics in cryptology

- **Interactive workshops** led by industry practitioners

- **Networking opportunities** with leading researchers, industry professionals, and government officials

- **Exhibition showcasing** the latest products and services in cybersecurity

Why Attend AFRICACRYPT 2023?

- **Stay abreast of the latest research** in cryptology and cybersecurity

- **Gain insights** from leading experts in the field

- **Network with** researchers, industry professionals, and government officials

- **Identify new collaboration** and research opportunities

- **Contribute to the advancement** of cryptology and cybersecurity in Africa

Call for Papers

Researchers are invited to submit original research papers on all aspects of cryptology, including:

- Cryptography

- Cryptanalysis

- Cryptographic protocols

- Network security

- Data security

- Privacy

- Blockchain technology

- Quantum cryptology

The deadline for paper submission is **March 15th, 2023**. For more information on paper submission, please visit the conference website.

Registration

Early bird registration is now open! Register by **June 1st, 2023** to take advantage of discounted rates.

To register for AFRICACRYPT 2023, please visit the conference website.

Venue

The 12th International Conference on Cryptology in Africa will be held at the Cairo International Convention Center (CICC) in Cairo, Egypt.

The CICC is a state-of-the-art conference and exhibition facility located in the heart of Cairo. It offers a wide range of amenities and services, including:

- Spacious meeting rooms

- Exhibition halls

- Restaurants and cafes

- Business center

- Prayer rooms

Accommodation

A variety of accommodation options are available near the CICC, ranging from budget-friendly hotels to luxury resorts.

For a list of recommended hotels, please visit the conference website.

Transportation

Cairo International Airport (CAI) is the main airport serving Cairo. It is located approximately 20 kilometers from the CICC.

There are a variety of transportation options available to get from the airport to the conference venue, including:
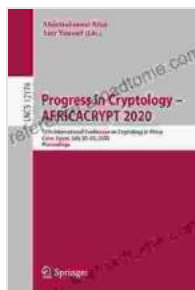

- **Taxi:** Taxis are readily available at the airport. The fare to the CICC is approximately 150 Egyptian pounds (EGP).

- **Uber:** Uber is another convenient option for getting to the conference venue. The fare to the CICC is approximately 100 EGP.

- **Bus:** There is a public bus that runs from the airport to the CICC. The fare is approximately 20 EGP.

Visa Information

Citizens of most countries do not require a visa to enter Egypt for stays of up to 30 days. However, citizens of some countries may require a visa.

For more information on visa requirements, please visit the Egyptian embassy or consulate in your country.

## We look forward to welcoming you to Cairo for the 12th International Conference on Cryptology in Africa!
