ICIDS 2024 serves as a vibrant platform for academics, researchers, industry professionals, and story enthusiasts to connect, share ideas, and explore the ever-evolving landscape of interactive digital storytelling. Together, we will delve into the depths of narrative design, computational creativity, and the boundless possibilities of immersive storytelling.

A Kaleidoscope of Cutting-Edge Research

Immerse yourself in a kaleidoscope of cutting-edge research presented by leading experts in the field. ICIDS 2024 showcases groundbreaking advancements in:

- **Narrative Design:** Uncover the secrets of crafting interactive narratives that resonate deeply with audiences.
- **Computational Creativity:** Witness the transformative power of artificial intelligence in generating engaging and personalized stories.
- **Virtual Reality Storytelling:** Embark on immersive storytelling experiences that transport you into captivating virtual worlds.
- **Artificial Intelligence in Storytelling:** Explore the convergence of AI and storytelling, unlocking new frontiers of interactive narratives.
- **Interactive Narratives:** Engage with groundbreaking interactive narratives that empower you to shape the story's trajectory.
- **Digital Storytelling Techniques:** Discover innovative digital storytelling techniques that transcend traditional boundaries.
- **Immersive Storytelling:** Dive into the captivating world of immersive storytelling, where boundaries blur and stories come to life.

Thought-Provoking Discussions and Networking Opportunities

Beyond the research presentations, ICIDS 2024 fosters thought-provoking discussions and networking opportunities that will ignite your creativity and expand your horizons.

Participate in engaging panel discussions, workshops, and interactive demonstrations, where industry leaders and renowned researchers share their insights and engage in lively debates. Connect with fellow storytellers, researchers, and enthusiasts from around the globe, building valuable connections and fostering collaborations.

Porto: A City steeped in Storytelling

ICIDS 2024 takes place in the enchanting city of Porto, Portugal, a place where storytelling is deeply embedded in its cultural fabric. Explore the city's historic streets and picturesque waterfront, drawing inspiration from its rich literary heritage and vibrant arts scene.

Porto offers a captivating backdrop for the exploration of interactive digital storytelling, inviting you to immerse yourself in a city that breathes stories.

Call for Submissions

ICIDS 2024 invites submissions of high-quality research papers, interactive installations, and creative works that showcase innovative approaches to interactive digital storytelling. Share your groundbreaking research, captivate audiences with immersive experiences, and contribute to the advancement of this dynamic field.

For detailed submission guidelines and deadlines, please visit the ICIDS 2024 website.

Join the Interactive Digital Storytelling Revolution

Embark on an extraordinary journey into the realm of interactive digital storytelling. ICIDS 2024 is your gateway to cutting-edge research, thought-provoking discussions, and the opportunity to connect with a global

community of story enthusiasts. Join us in Porto, where stories come alive and your imagination takes flight.

Register now and secure your place at this unmissable event.
