Join us for a thought-provoking exploration of the latest advances in algorithms, computation, and theory.

The 15th International Conference and Workshops on Algorithms and Computation (WALCOM 2024) will be held in Yangon, Myanmar, from February 26th to March 1st, 2024. WALCOM is a premier international conference in the field of algorithms and computation, providing a forum for researchers and practitioners to present their latest findings and exchange ideas.

WALCOM 2024 will feature a wide range of topics, including:

- Algorithms and data structures
- Computational geometry
- Combinatorial optimization
- Graph algorithms
- Network algorithms
- Parallel and distributed algorithms
- Quantum computing
- Theoretical computer science

In addition to the main conference, WALCOM 2024 will also host a number of workshops on specialized topics. These workshops will provide a more in-depth exploration of specific areas of research.

WALCOM 2024 is an excellent opportunity to learn about the latest advances in algorithms and computation, meet other researchers in the field, and collaborate on new projects.

Important Dates

- Paper submission deadline: October 15, 2023
- Notification of acceptance: December 15, 2023
- Camera-ready paper deadline: January 15, 2024
- Conference dates: February 26th to March 1st, 2024

Submission Guidelines

Authors are invited to submit original research papers that have not been previously published or submitted for publication elsewhere. Papers should be submitted electronically in PDF format via the WALCOM 2024 submission system.

Papers should be formatted according to the WALCOM 2024 style guidelines. The page limit for regular papers is 12 pages, and the page limit for short papers is 6 pages.

Registration

Registration for WALCOM 2024 will open in September 2023. Early registration discounts will be available until January 15, 2024.

For more information about WALCOM 2024, please visit the conference website at <https://walcom2024.org>.
