## About the Conference

The 17th International Conference on Distributed Computing and Internet Technology (ICDCIT 2024) will be held in Bhubaneswar, India, on January 10, 2024. The conference aims to bring together researchers, practitioners, and academics from around the world to share their latest research findings and practical experiences in the field of distributed computing and internet technology.

ICDCIT 2024 will feature a wide range of topics, including:

- Distributed algorithms and protocols
- Cloud computing and virtualization

- Big data and data analytics
- Internet of Things (IoT)
- Cybersecurity
- Blockchain and distributed ledger technologies
- Machine learning and artificial intelligence

## **Call for Papers**

ICDCIT 2024 invites submissions of original research papers in all areas of distributed computing and internet technology. Papers should be no more than 8 pages in length and should be formatted according to the conference proceedings template. All submissions will be peer-reviewed by a panel of experts in the field.

The deadline for paper submissions is **November 1, 2023**. Authors of accepted papers will be invited to present their work at the conference.

## **Important Dates**

- Paper submission deadline: **November 1, 2023**
- Notification of acceptance: **December 1, 2023**
- Camera-ready paper submission deadline: **January 1, 2024**
- Conference dates: **January 10, 2024**

## **Venue**

The 17th International Conference ICDCIT 2024 will be held at the KIIT University in Bhubaneswar, India.

## Accommodation

A block of rooms has been reserved at the Mayfair Lagoon Hotel for conference attendees. To book a room, please contact the hotel directly and mention the ICDCIT 2024 conference.

## Contact

For more information about the 17th International Conference ICDCIT 2024, please visit the conference website or contact the conference organizers at [icdcit2024@kiit.ac.in](mailto:icdcit2024@kiit.ac.in).
