Vienna, Austria

September 16-19, 2024

The 17th International Conference on Business Process Management (BPM 2024) will be held in Vienna, Austria, from September 16-19, 2024. The conference will bring together researchers, practitioners, and vendors from around the world to share their latest work on business process management.

BPM 2024 will feature a variety of tracks, including:

- Business process modeling and analysis
- Business process execution and monitoring

- Business process improvement and optimization
- Business process management in the digital age
- Business process management and sustainability

In addition to the technical tracks, BPM 2024 will also feature a number of workshops, tutorials, and social events. The conference will provide a unique opportunity to learn about the latest advances in business process management and to network with other professionals in the field.

Important dates

- Paper submission deadline: March 15, 2024
- Notification of acceptance: May 15, 2024
- Camera-ready deadline: June 15, 2024

Call for papers

BPM 2024 is seeking original research papers on all aspects of business process management. Submissions should be no more than 12 pages in length, and must be submitted electronically via the conference website.

Contact information

For more information about BPM 2024, please contact the conference chairs:

- Prof. Dr. Jan Mendling (University of Vienna, Austria)
- Prof. Dr. Jan Recker (Queensland University of Technology, Australia)
