About WISA 2024

The 19th International Conference on Wireless Information Systems and Applications (WISA 2024) will be held on Jeju Island, Korea from August 23 to 25, 2024. The conference will provide a forum for researchers and practitioners from academia, industry, and government to exchange ideas and results in the latest advances in wireless information systems and applications.

WISA 2024 will feature a variety of technical sessions, workshops, and tutorials on topics such as:

- 5G and beyond

- IoT and wireless sensor networks
- Mobile computing and applications
- Wireless networks and security
- AI and machine learning for wireless systems
- Big data and wireless analytics
- Blockchain and wireless applications

Call for Papers

Authors are invited to submit original and unpublished research papers on all aspects of wireless information systems and applications. Papers should be submitted electronically in PDF format via the WISA 2024 submission system. The submission deadline is March 15, 2024.

Important Dates

- Submission deadline: March 15, 2024
- Notification of acceptance: May 15, 2024
- Camera-ready deadline: June 15, 2024
- Conference dates: August 23-25, 2024

Venue

The 19th International Conference on Wireless Information Systems and Applications (WISA 2024) will be held at the Jeju International Convention Center on Jeju Island, Korea.

Jeju Island is a beautiful and popular tourist destination, known for its stunning scenery, volcanic landscapes, and crystal-clear waters. The island is also home to a number of UNESCO World Heritage sites, including the Jeju Volcanic Island and Lava Tubes.

Registration

Registration for WISA 2024 will open in March 2024. Early registration discounts will be available until June 15, 2024.

Contact

For more information, please visit the WISA 2024 website or contact the conference secretariat at wisa2024@jeju.ac.kr.
