

22nd HCI International Conference HCII 2024: Experience the Cutting-Edge of Human- Computer Interaction

Unveiling the Future of Human-Computer Interaction

The 22nd HCI International Conference HCII 2024, held in Copenhagen, Denmark from July 19-24, promises to be a captivating event for researchers, practitioners, and enthusiasts of Human-Computer Interaction (HCI). This conference will showcase the latest advancements, trends, and challenges in this rapidly evolving field.

HCI International 2024 – Late Breaking Papers: Cognition, Learning and Games: 22nd HCI International Conference, HCII 2024, Copenhagen, Denmark, July 19–24, ... Notes in Computer Science Book 12425)

★★★★★ 5 out of 5

With over 1,500 papers, 300 workshops and tutorials, and a multitude of special sessions and exhibitions, HCII 2024 offers an unparalleled opportunity to delve into the depths of HCI. Explore emerging technologies, gain insights from leading experts, and connect with professionals from diverse backgrounds.

Captivating Keynotes by Renowned Speakers

The conference will be graced by renowned speakers who will share their groundbreaking perspectives on the future of HCI. These keynote speakers include:

- **Don Norman**, Professor Emeritus at Northwestern University, known for his work on user experience design and the concept of affordance.
- **Helen Sharp**, Professor of Design at the University of Sussex, a pioneer in the fields of interaction design and participatory design.
- **Yvonne Rogers**, Professor of Interaction Design at University College London, recognized for her contributions to the study of social computing and user experience.

Exploration of Diverse HCI Domains

HCII 2024 covers a wide range of HCI domains, ensuring that there is something for everyone:

- **User Experience Design:** Enhance the usability, accessibility, and overall user experience of digital products and services.
- **Interaction Design:** Create intuitive, engaging, and aesthetically pleasing interfaces that facilitate seamless interactions.
- **Social Computing:** Understand the dynamics of human interactions in online environments and design systems that foster collaboration and connection.
- **Mobile and Wearable Technologies:** Explore the unique challenges and opportunities presented by mobile devices and wearable technologies.
- **Virtual and Augmented Reality:** Dive into the immersive world of VR and AR and examine the transformative potential of these technologies.

Insights from Industry Leaders

In addition to academic research, HCII 2024 also provides a platform for industry leaders to share their perspectives. Practitioners from leading companies such as Google, Microsoft, and Our Book Library will offer valuable insights into the application of HCI principles in real-world scenarios.

Contributions from Global Experts

HCII 2024 has attracted submissions from over 80 countries, ensuring a truly global perspective on the field of HCI. This diversity of thought and experience will foster cross-cultural understanding and collaboration, helping to shape the future of HCI.

The Power of Networking and Collaboration

Beyond the conference sessions, HCII 2024 provides ample opportunities for networking and collaboration. Attendees will have the chance to connect with researchers, practitioners, and industry leaders from around the world, sharing ideas and forging meaningful relationships.

The Importance of Sustainability

In keeping with its commitment to sustainability, HCII 2024 will adopt environmentally conscious practices throughout the conference. This includes using recycled materials, minimizing waste, and promoting eco-friendly transportation options.

Embracing Innovation and Progress

HCII 2024 is more than just a conference; it is a catalyst for innovation and progress in the field of HCI. By bringing together the brightest minds in the

industry, the conference fosters collaboration, inspires new ideas, and sets the stage for the future of human-computer interaction.

Your Invitation to the HCI Event of the Year

Join the HCI community in Copenhagen for an unforgettable experience that will shape your understanding of the past, present, and future of human-computer interaction. Secure your registration today and become part of this transformative event.

Register for HCII 2024

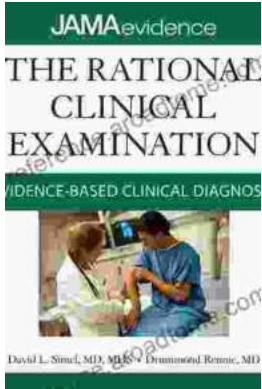

Don't miss this opportunity to witness the latest advancements in HCI, connect with experts, and shape the future of this dynamic field. Join us in Copenhagen for HCII 2024 – where innovation and impact converge.
