

# 8th International Conference ICORES 2024 Prague Czech Republic February 19-21: Shaping the Future of Scientific Research

## A Gathering of Minds for Scientific Innovation

The 8th International Conference on Optics, Photonics, and Communication Technologies (ICORES 2024) will take place in the vibrant city of Prague, Czech Republic, from February 19th to 21st, 2024. This highly anticipated event is set to bring together a global audience of scientists, researchers, engineers, and industry professionals to explore the latest breakthroughs and advancements in optics, photonics, and communication technologies. ICORES 2024 will provide a dynamic platform for knowledge exchange, networking, and collaboration among experts in these rapidly evolving fields.

## Operations Research and Enterprise Systems: 8th International Conference, ICORES 2024, Prague, Czech Republic, February 19-21, 2024, Revised Selected Papers ... Computer and Information Science Book 1162)

## **Unveiling Cutting-Edge Innovations**

ICORES 2024 will feature a comprehensive scientific program that covers a wide range of topics, including:

- Advanced Optical Materials
- Optical Nanotechnologies
- Photonics for Energy
- Biophotonics
- Quantum Photonics
- Optical Communications
- Photonic Networks
- Wireless Communications

Attendees will have the opportunity to present their original research findings, engage in thought-provoking discussions, and gain insights into the latest trends and developments shaping the future of optics, photonics, and communication technologies.

## **A Hub for Knowledge Exchange and Collaboration**

ICORES 2024 is not just a conference; it is a hub for knowledge exchange and collaboration. The event will feature:

- Keynote presentations by renowned experts
- Oral and poster presentations by researchers from around the world
- Interactive workshops and tutorials

- Networking opportunities at social events and receptions

ICORES 2024 provides an unparalleled opportunity for participants to connect with peers, share ideas, and forge new collaborations that will drive future scientific advancements.

## **Prague: A City of Culture and Science**

Prague, the capital of the Czech Republic, is a city steeped in history, culture, and scientific excellence. Home to Charles University, one of the oldest and most prestigious universities in Europe, Prague has a long-standing tradition of academic achievement. The city offers a vibrant blend of historical landmarks, stunning architecture, and modern amenities, making it an ideal destination for the ICORES 2024 conference.

Attendees can explore Prague's rich cultural heritage by visiting iconic landmarks such as Prague Castle, the Charles Bridge, and the Old Town Square. The city also offers a diverse culinary scene, with a wide range of traditional and international restaurants to cater to all tastes.

## **Important Dates**

**Abstract Submission Deadline:** October 15, 2023

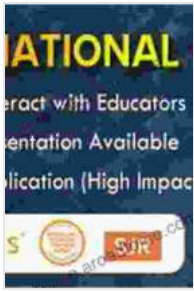

**Notification of Acceptance:** November 15, 2023

**Early Bird Registration Deadline:** December 15, 2023

**Conference Dates:** February 19-21, 2024

## **Registration and Contact**
