### Conference Overview

The 9th Joint International Conference on Information Science and Technology (JIST 2024) will be held in Hangzhou, China from November 25 to 27, 2024. The conference will provide a platform for researchers, practitioners, and educators to share their latest research findings and developments in the field of information science and technology.

JIST 2024 will feature a variety of tracks, including:

\* Data science and analytics \* Artificial intelligence \* Machine learning \*  
Computer vision \* Natural language processing \* Information retrieval \*

Database systems \* Software engineering \* Information security

The conference will also include a number of invited talks from leading researchers in the field.

## **Important Dates**

\* \*\*Submission deadline:\*\* June 15, 2024 \* \*\*Notification of acceptance:\*\* August 15, 2024 \* \*\*Camera-ready deadline:\*\* September 15, 2024 \* \*\*Conference dates:\*\* November 25-27, 2024

## **Submission Guidelines**

Authors are invited to submit original research papers in the areas of information science and technology. Papers should be no more than 8 pages in length and should be formatted according to the IEEE conference proceedings template.

Papers should be submitted electronically through the JIST 2024 submission system.

## **Registration**

Registration for JIST 2024 will open in August 2024. The registration fee will include access to all conference sessions, materials, and social events.

## **Accommodation**

A block of rooms has been reserved for JIST 2024 attendees at the following hotels:

\* Hangzhou Marriott Hotel Downtown \* Hilton Hangzhou Qiandao Lake Resort \* Sheraton Hangzhou Wetland Park Resort

Attendees can book their rooms online or by phone.

## Contact Information

For more information about JIST 2024, please contact the conference secretariat:

\* Email: [jist2024@example.com](mailto:jist2024@example.com) \* Phone: +86-10-12345678

JIST 2024 is a premier conference for researchers, practitioners, and educators in the field of information science and technology. The conference will provide a platform for attendees to share their latest research findings and developments, and to learn from leading researchers in the field.

We encourage you to submit your research papers to JIST 2024 and to attend the conference in Hangzhou, China.
