The award is open to researchers who are within 10 years of completing their PhD degree. The research work must have been published in a peer-reviewed journal or conference proceedings. The work must be original and must have made a significant contribution to the field of mechanical engineering.

The award consists of a cash prize of €1,000 and a certificate. The award will be presented at the Aitem Annual Conference in 2024.

Eligibility Criteria

To be eligible for the Aitem Young Researcher Award 2024, the applicant must:

- Be within 10 years of completing their PhD degree.
- Have published their research work in a peer-reviewed journal or conference proceedings.
- Be the lead author on the publication.
- Be a member of Aitem.

Application Process

To apply for the Aitem Young Researcher Award 2024, the applicant must submit the following materials:

- A curriculum vitae.
- A letter of nomination from a senior researcher in the field of mechanical engineering.
- A copy of the applicant's research publication.

The application deadline is **March 1, 2024**.

Selection Criteria

The Aitem Young Researcher Award 2024 will be awarded based on the following criteria:

- The originality and significance of the research work.
- The impact of the research work on the field of mechanical engineering.
- The applicant's potential for future research contributions.

Award Ceremony

The Aitem Young Researcher Award 2024 will be presented at the Aitem Annual Conference in 2024. The award ceremony will be held on **June 1, 2024**.
