## Overview

Sport is a powerful force in our society. It can bring people together, inspire us to achieve great things, and even change the world. But sport can also be a source of ethical challenges, from doping and match-fixing to racism and sexism.

This book provides a comprehensive overview of the ethical issues facing sport today. It brings together leading scholars in the field to explore the key ethical challenges facing sport, and to provide practical guidance on how to address them.

## **Key Features**

- Covers a wide range of ethical issues facing sport today, from doping and match-fixing to racism and sexism
- Written by leading scholars in the field of sports ethics
- Provides practical guidance on how to address ethical challenges in sport
- Essential reading for anyone working in sport, from coaches and athletes to administrators and policymakers

## **Table of Contents**

- 1.
2. The Ethics of Doping
