In Michael Korda's *Catnip Love Story*, we are introduced to Mittens, a cat with an unyielding obsession with catnip. Her love for this magical herb is so strong that it consumes her every thought and action. She will do anything to get her paws on it, from knocking over furniture to climbing to the highest shelves.

Mittens' owner, a middle-aged woman named Eleanor, is at first exasperated by her cat's behavior. She tries everything she can to stop Mittens from getting into the catnip, but nothing works. Finally, Eleanor gives up and resigns herself to the fact that her cat is a catnip addict.

But as Eleanor spends more time watching Mittens and her catnip-induced antics, she begins to see the beauty in her cat's obsession. She realizes that Mittens is not just a silly cat who gets high on catnip. She is a creature who is fully alive and enjoying every moment of her life.

Eleanor's newfound acceptance of Mittens and her love for catnip changes their relationship forever. They become closer than they ever have been, and Eleanor begins to see the world through her cat's eyes. She learns to appreciate the simple things in life, and she finds joy in the most unexpected places.

Catnip Love Story is a heartwarming tale about the power of love to transform. It is a story that will make you laugh, cry, and ultimately believe in the goodness of both cats and humans.
