Print length : 411 pages

Adhocnets 2024 offers a unique platform for attendees to:

- Stay abreast of groundbreaking research and innovations in ad hoc networks
- Engage in thought-provoking discussions with renowned experts in the field
- Showcase their own research findings and contribute to the advancement of the industry

- Establish valuable connections with peers, collaborators, and potential partners

Explore a Wide Spectrum of Ad Hoc Networking Topics

The conference program will cover a comprehensive range of topics related to ad hoc networks, including:

- Ad hoc network architectures and protocols
- Routing and data dissemination in ad hoc networks
- Security and privacy in ad hoc networks
- Energy-efficient and energy-aware ad hoc networks
- Quality of service (QoS) in ad hoc networks
- Applications of ad hoc networks
- Emerging trends and future directions in ad hoc networking

Witness Keynote Presentations from Industry Luminaries

Adhocnets 2024 is honored to host distinguished keynote speakers who will share their insights on cutting-edge research and industry best practices. These renowned experts will provide attendees with a glimpse into the future of ad hoc networking.

Submit Your Research and Join the Global Dialogue

Researchers and practitioners are encouraged to submit their original research papers for presentation at Adhocnets 2024. Accepted papers will be published in the conference proceedings and indexed in leading academic databases.

To submit your paper, please visit the conference website.

Early Bird Registration: Secure Your Spot Today

Take advantage of our early bird registration rates and secure your place at Adhocnets 2024. Registration fees include access to all conference sessions, keynote presentations, networking opportunities, and conference materials.

To register for the conference, please visit the conference website.

Explore the Enchanting Charms of Paris

In addition to the exceptional academic program, Adhocnets 2024 attendees will have the opportunity to explore the captivating city of Paris.

From the iconic Eiffel Tower to the world-renowned Louvre Museum, Paris offers a plethora of cultural, historical, and culinary delights. Take advantage of this chance to immerse yourself in the rich tapestry of French culture while enjoying the conference.

Join the Ad Hoc Networking Community in Paris

Adhocnets 2024 is the premier event for ad hoc networking professionals and enthusiasts. Don't miss this opportunity to connect with the global community, advance your knowledge, and shape the future of ad hoc networking.

We look forward to welcoming you in the heart of Paris for an unforgettable conference experience.
