Synopsis

Glory and Dream of Civilizational State is an epic tale of civilization's rise and fall. It is a must-read for anyone interested in history, sociology, or political science.

The book begins with the birth of civilization in Mesopotamia and Egypt. It then traces the development of civilization through the classical period in Greece and Rome, the Middle Ages in Europe, and the Renaissance and Enlightenment. The book concludes with a discussion of the challenges facing civilization in the 21st century.

Glory and Dream of Civilizational State is a thought-provoking and insightful book that offers a unique perspective on the history of civilization. It is a must-read for anyone who wants to understand the complexities of human society.
