The Joint IAPR International Workshops on Structural, Syntactic, and Statistical Pattern Recognition (SSPR 2024) will be held in Padua, Italy, on January 21-22, 2024.

The SSPR workshops are a series of biennial events that bring together researchers from the fields of structural, syntactic, and statistical pattern recognition. The goal of the workshops is to provide a forum for the exchange of ideas and the presentation of new research results in these areas.

The SSPR 2024 workshops will include a variety of invited talks, contributed papers, and poster presentations. The workshops will also

feature a number of special events, including a keynote address by Professor Roberto Cipolla of the University of Cambridge.

The SSPR 2024 workshops are an excellent opportunity for researchers to learn about the latest advances in structural, syntactic, and statistical pattern recognition. The workshops are also a great place to network with other researchers in these fields.

Important Dates

- Paper submission deadline: October 1, 2023
- Notification of acceptance: November 15, 2023
- Camera-ready paper submission deadline: December 15, 2023
- Workshop dates: January 21-22, 2024

Submission Guidelines

Papers submitted to the SSPR 2024 workshops should be original and unpublished work. Papers should be no more than 8 pages in length, including references. Papers should be submitted in PDF format using the Springer LNCS style.

Papers will be reviewed by a panel of experts in the field. The review process will be single-blind, meaning that the reviewers will not know the identity of the authors.

Registration

Registration for the SSPR 2024 workshops will open in September 2023. The registration fee will include access to all workshops, as well as the

keynote address and other special events.

Accommodation

A block of rooms has been reserved at the Hotel Donatello for participants in the SSPR 2024 workshops. The Hotel Donatello is located in the heart of Padua, within walking distance of the workshop venue.

To book a room at the Hotel Donatello, please visit the hotel's website or call the hotel directly.
