In the midst of the Great Depression, when desperation and despair gripped the land, one woman emerged as a beacon of hope and resilience. Florence Labrell's *Last Priority* is a novel that captures the indomitable spirit of a woman who refused to let adversity define her.

Set in the small town of Harmony, Oregon, *Last Priority* follows the journey of Sarah Jane, a young woman who finds herself at the crossroads of life.

Orphaned at a young age, she has spent her life bouncing from foster home to foster home, always feeling like an outsider. But when she is taken in by the elderly couple, John and Mary, she begins to find a sense of belonging and purpose.

As the Depression worsens, John and Mary lose their farm and are forced to move into a shantytown. Sarah Jane, determined to help her new family, finds work as a waitress at a local diner. But the job is grueling and the pay is meager. Desperate to earn more money, she turns to a life of crime.

Haunted by her past and the choices she has made, Sarah Jane spirals into a downward spiral. But even in her darkest moments, she never gives up hope. With the help of her newfound friends and the love of John and Mary, she finds the strength to rebuild her life and embrace a future filled with possibility.

Last Priority is more than just a story about survival. It is a testament to the power of resilience, the strength of human connection, and the transformative nature of hope. Florence Labrell's writing is raw, honest, and deeply moving. She has created a novel that will stay with readers long after they finish the last page.
