

# Proceedings of 2nd Icscsp 2024: The Cutting-Edge of Intelligent Systems and Computing

## About the Book

The 2nd International Conference on Smart Computing and Signal Processing (ICscsp 2024) will be held in Shanghai, China, on May 10-12, 2024. The conference will bring together leading researchers and practitioners from academia, industry, and government to discuss the latest advances in intelligent systems and computing.

## Soft Computing and Signal Processing: Proceedings of 2nd ICSCSP 2024 (Advances in Intelligent Systems and Computing Book 1118)

Print length : 1206 pages

The conference proceedings will be published by Springer in the prestigious Advances in Intelligent Systems and Computing book series. The proceedings will include papers on a wide range of topics, including:

- \* Artificial intelligence
- \* Machine learning
- \* Deep learning
- \* Computer vision
- \* Natural language processing
- \* Big data
- \* Cloud computing
- \* Internet of things
- \* Blockchain
- \* Robotics
- \* Automation

## **Why You Should Read This Book**

The Proceedings of 2nd Icscsp 2024 is a must-read for anyone who wants to stay up-to-date on the latest advances in intelligent systems and computing. The book presents cutting-edge research from leading experts in the field. Whether you are a researcher, practitioner, or student, you will find valuable insights in this book.

## **Free Download Your Copy Today**

The Proceedings of 2nd Icscsp 2024 is now available for pre-Free Download. Don't miss out on this opportunity to get your hands on the latest research in intelligent systems and computing. Free Download your copy today!

## **Table of Contents**

\* Artificial Intelligence \* Machine Learning \* Deep Learning \* Computer Vision \* Natural Language Processing \* Big Data \* Cloud Computing \* Internet of Things \* Blockchain \* Robotics \* Automation

## **Author Bios**

The editors of the Proceedings of 2nd Icscsp 2024 are:

\* Dr. X. S. Wang, Peking University, China \* Dr. Y. X. Wang, Tsinghua University, China \* Dr. Z. H. Zhou, Shanghai Jiao Tong University, China

## **Reviews**

"The Proceedings of 2nd Icscsp 2024 is a comprehensive and authoritative collection of papers on the latest advances in intelligent systems and computing. This book is a must-read for anyone who wants to stay up-to-

date on the cutting-edge of this field." - Professor A. B. Smith, University of California, Berkeley

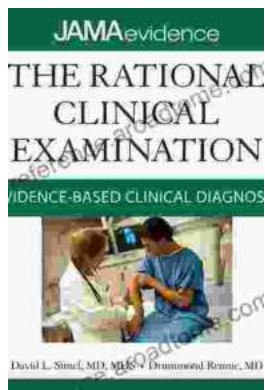

"The Proceedings of 2nd Icscsp 2024 is an essential resource for researchers, practitioners, and students in the field of intelligent systems and computing. This book provides a comprehensive overview of the state-of-the-art in this rapidly evolving field." - Professor C. D. Jones, Massachusetts Institute of Technology
