

# Unlocking Data-Driven Insights: Attend the 25th Pacific Asia Conference PAKDD 2024

In today's data-driven era, businesses and organizations are constantly seeking innovative ways to leverage data to gain competitive advantages. The 25th Pacific Asia Conference on Knowledge Discovery and Data Mining (PAKDD 2024) will be the ultimate platform for data enthusiasts, researchers, and industry practitioners to explore the latest advancements in data mining and knowledge discovery.

## Advances in Knowledge Discovery and Data Mining: 25th Pacific-Asia Conference, PAKDD 2024, Virtual Event, May 11–14, 2024, Proceedings, Part I (Lecture Notes in Computer Science Book 12712)

From May 11-14, 2024, PAKDD 2024 will bring together a global community of experts to share their groundbreaking research, showcase innovative applications, and engage in thought-provoking discussions. This highly anticipated event will be held virtually, allowing you to participate from the comfort of your own home or office.

## Key Highlights of PAKDD 2024

- **Cutting-Edge Research Presentations:** Dive into the latest research findings in various areas of data mining and knowledge discovery, including machine learning, artificial intelligence, big data analysis, and more.
- **Industry-Leading Keynote Speakers:** Listen to inspiring talks from renowned thought leaders who will share their insights on the transformative power of data-driven decision-making.
- **Interactive Workshops and Tutorials:** Enhance your skills and knowledge through hands-on workshops and tutorials led by experts in the field.
- **Networking Opportunities:** Connect with fellow researchers, academics, and industry professionals from around the globe and build valuable collaborations.

## Who Should Attend PAKDD 2024?

PAKDD 2024 is an unmissable event for anyone interested in the field of data mining and knowledge discovery, including:

- Researchers and academics seeking to present their latest findings and engage in scientific discussions
- Industry professionals looking to gain insights into the latest data-driven technologies and applications
- Data scientists and analysts aiming to enhance their skills and stay abreast of industry trends
- Students and early-career researchers eager to learn from leading experts in the field

## **Call for Papers**

We invite researchers to submit their original and unpublished research papers for consideration. The deadline for paper submission is **[Date]**. For more information on the submission process and guidelines, please visit the Call for Papers page.

## **Early Registration Discounts**

Register for PAKDD 2024 before **[Date]** to take advantage of early registration discounts. Discounted registration rates are available for students, academics, and industry professionals. Visit the Registration page for more details.

## **Mark Your Calendars!**

Don't miss this exceptional opportunity to unlock data-driven insights and connect with the global community of data mining and knowledge discovery experts. Mark your calendars for May 11-14, 2024, and register for PAKDD 2024 today!
