About ICADL 2024

The 22nd International Conference on Asia Pacific Digital Libraries (ICADL 2024) is a premier international forum for the exchange of ideas and advancements in the field of digital libraries. This prestigious event will take place from July 1st to 5th, 2024, in the vibrant city of Singapore.

ICADL 2024 will bring together a diverse community of researchers, practitioners, policymakers, and industry professionals from across the Asia-Pacific region and beyond. Attendees will have the opportunity to share their latest research findings, engage in thought-provoking discussions, and explore cutting-edge technologies and applications in the realm of digital libraries.

Key Themes and Tracks

ICADL 2024 will focus on a wide range of themes related to digital libraries, including:

- Digital preservation and archiving
- Metadata and interoperability
- Information retrieval and access
- Digital humanities and cultural heritage
- Data science and machine learning in digital libraries
- User experience and evaluation
- Policy and legal issues in digital libraries

Why Attend ICADL 2024?

By attending ICADL 2024, you will:

- Stay abreast of the latest advancements in the field of digital libraries
- Connect with leading experts and researchers from the Asia-Pacific region and beyond
- Participate in thought-provoking discussions and exchange ideas with peers
- Explore innovative technologies and applications in digital libraries
- Gain insights into the future of digital libraries and their impact on society

Call for Papers

Researchers and practitioners are invited to submit original papers that address the conference themes and tracks. Submissions should be made through the conference website by ****March 15th, 2024****.

Registration

Early registration for ICADL 2024 is now open. Attendees can register online through the conference website. Registration fees include access to all conference sessions, workshops, and social events.

Venue

ICADL 2024 will be held at the Marina Bay Sands, Singapore. The Marina Bay Sands is a world-renowned integrated resort that offers a luxurious and convenient setting for the conference.
