A Crucible of Knowledge and Innovation

ICAISC 2024 has established itself as a premier forum for fostering scientific discourse and igniting collaborations. As the field of AI and soft

computing continues to evolve at an unprecedented pace, this conference offers an unparalleled opportunity to stay abreast of the latest advancements and engage with thought leaders shaping the future of these disciplines.

Explore Cutting-Edge Research

ICAISC 2024 will showcase a comprehensive program featuring presentations from leading experts in the field. Attendees will delve into a diverse range of topics, including:

- Artificial intelligence algorithms and techniques
- Machine learning and deep learning
- Soft computing methodologies
- Hybrid intelligent systems
- Applications of AI and soft computing in various domains

Witness the Future of AI and Soft Computing

Beyond the captivating presentations, ICAISC 2024 offers a dynamic environment for networking and collaboration. Attendees will have the chance to connect with fellow researchers, industry professionals, and potential collaborators, fostering new partnerships and driving innovation.

Experience the Beauty of Zakopane

Nestled in the heart of the Tatra Mountains, Zakopane offers a stunning backdrop for this year's conference. In your free time, explore the picturesque streets, indulge in traditional Polish cuisine, and immerse yourself in the vibrant local culture.
