Unveiling the 22nd European Conference EuroGP 2024: A Gateway to Leipzig's EvoStar 2024

Prepare to immerse yourself in the captivating world of Genetic Programming and Evolutionary Computation at the upcoming 22nd European Conference EuroGP 2024, an integral part of the renowned EvoStar 2024 Leipzig. This highly anticipated event promises to ignite your curiosity, expand your knowledge, and foster new connections within the dynamic field of Artificial Intelligence. Mark your calendars for April 8-12, 2024, and embark on an extraordinary scientific journey in the vibrant city of Leipzig, Germany.

Genetic Programming: 22nd European Conference, EuroGP 2024, Held as Part of EvoStar 2024, Leipzig, Germany, April 24–26, 2024, Proceedings (Lecture Notes in Computer Science Book 11451)

Unveiling the Scientific Program

The 22nd European Conference EuroGP 2024 has meticulously crafted a scientific program that will stimulate your intellect and inspire your research endeavors. Renowned experts from academia and industry will grace the stage, sharing their groundbreaking insights on a diverse range of topics, including:

- Genetic Programming and Evolutionary Algorithms

- Machine Learning and Artificial Intelligence

- Applications in Engineering, Science, and Business

- Theoretical Foundations and Empirical Studies

- Big Data Analytics and Optimization

- Evolutionary Robotics and Artificial Life

With an array of captivating presentations, thought-provoking discussions, and interactive workshops, the scientific program will undoubtedly provide a rich tapestry of knowledge and inspiration for all attendees.

Meet the Distinguished Speakers

The 22nd European Conference EuroGP 2024 has assembled an exceptional lineup of distinguished speakers, each renowned for their groundbreaking contributions to the field:

- **Prof. John Koza**, Stanford University, USA

- **Prof. Wolfgang Banzhaf**, University of California, Santa Cruz, USA

- **Prof. Kalyanmoy Deb**, Indian Institute of Technology Kanpur, India

- **Prof. Una-May O'Reilly**, University College Dublin, Ireland

- **Prof. Pietro Liò**, Sapienza University of Rome, Italy

These luminaries will share their cutting-edge research, providing attendees with an unparalleled opportunity to engage with the pioneers of Genetic Programming and Evolutionary Computation.

Exploring the Vibrant City of Leipzig

Beyond the scientific program, the 22nd European Conference EuroGP 2024 offers attendees the chance to explore the captivating city of Leipzig. Steeped in history, culture, and innovation, Leipzig is a vibrant metropolis with something to offer every visitor. Immerse yourself in the city's rich musical heritage by visiting the Bach Museum or catching a performance at the renowned Leipzig Gewandhaus Orchestra. Explore the stunning architecture of the St. Thomas Church, where Johann Sebastian Bach served as choirmaster, or marvel at the contemporary design of the BMW Werk Leipzig.

Leipzig is also a culinary paradise, boasting a diverse selection of restaurants, cafes, and bars. From traditional German fare to international cuisine, there's something to satisfy every palate. And with its vibrant nightlife scene, Leipzig promises an unforgettable evening experience for attendees seeking entertainment and relaxation.

Registration and Important Dates

Registration for the 22nd European Conference EuroGP 2024 is now open. Early bird discounts are available until January 31, 2024, so take advantage of the opportunity to secure your spot at this exceptional event. Visit the conference website for complete registration details and fees.

Important Dates:

- **Abstract submission deadline:** October 31, 2023

- **Early bird registration deadline:** January 31, 2024

- **Regular registration deadline:** March 31, 2024

- **Conference dates:** April 8-12, 2024

The 22nd European Conference EuroGP 2024, held as part of EvoStar 2024 Leipzig, promises an extraordinary scientific experience in the vibrant heart of Germany. With a captivating scientific program, distinguished speakers, and the allure of Leipzig's cultural and historical treasures, this conference is an unmissable event for anyone passionate about Genetic Programming, Evolutionary Computation, and Artificial Intelligence. Mark your calendars, register today, and prepare to embark on an unforgettable journey of discovery and inspiration.
