## About the Book

The Imiscoe Short Reader Imiscoe Research Series is an essential tool for researchers, students, policymakers, and practitioners in the field of international migration studies. This comprehensive volume brings together a diverse collection of cutting-edge research, offering valuable insights into the complexities of human mobility in the 21st century.

Edited by renowned migration scholars Rainer Bauböck and Thomas Faist, the Imiscoe Short Reader features contributions from leading experts in the field. The book is divided into six thematic sections, each of which explores a specific aspect of international migration:

1. **Theories and Concepts of Migration**
2. **Migration and Development**
3. **Migration and Inequality**
4. **Migration and Integration**
5. **Migration and Governance**

## 6. Migration and the Future
